

Holland Brewster Coulter Co D-2

Upon being told to drop his bag, "Dutch" showed that he was destined to be another smirking D-2 plebe. Dutch soon became known in the company for his supply of orange, and by the T.D. for his orange peels. Academics were no sweat to Dutch, but he still insisted importing a teacher from Florida for "E.I." on weekends and holidays.

Footnote from Dutch – "In general, my Cadent years were quite enjoyable thanks to two special Roommates, Brian Schultz and Don Lockey.....My life could not have been as full and rewarding, either in the military career or later in the civilian professions, without the intelligent and loving childhood sweetheart (Gail) who became my wife.....Whatever motivated me as a youngster to aspiring to attend West Point was life changing and remains today."
