Steve left West Point after a year to return home in Iowa to assist his ailing father.

Steve later worked for the Iowa Power and Light Company and Bankers Life Insurance Company before moving to Colorado in 1965. He worked at IBM and the Credit Bureau of Boulder, CO. For 10 years, he lived in Estes Park, CO where he managed Sunny Acres Campground. He was involved in the fine arts guild, jaycees, local plays, square dancing and singing in a barbershop quartet. All his life, Mr. Stouffer enjoyed the outdoors. South Dakota and Grey Rocks in Wheatland, WY were his favorite camping sites. Steve passed away on 19 December 2003.

Footnote - Singing in the choir at the Presbyterian Church in Des Moines had been a special treat to Steve because he was a man who always had a song in his heart.
