Roger was assigned the 5th New Cadet Company and survived Beast Barracks without problem. When the Class of '61 was integrated into the Corps, Roger was assigned to Company K-1 along with others from 5th New Cadet Company. With Beast behind him, he was doing reasonably well in handling the fun of being a plebe in the “runt land” of South Area. But with the start of the academic year, he began a battle with an enemy that he couldn't overcome. He gave it a good fight, but Plebe academics ended up winning the battle.

Roger passed away on 24 June 1998.
