

**Joseph Frank Pesek Co G-2**

A foremost advocate of the afternoon workout, Joe was G-2's "Mr. Muck." It was nothing for him to press 200 pounds – but he couldn't scratch his own back. Joe, thought to be indifferent towards women at first, astounded us all with a turning movement and pursuit during his last two years.

Joe's ambition and winning ways will carry him far.

**Born** – 14 July 1937, in Nebraska.

**To USMA** – from Omaha, NE.

**Died** – 6 Feb. 2021 (age 83) at Carmel, IN. Buried at Our Lady of Peace Cemetery, Indianapolis, IN.

**Military Awards** – 2 Army Commendation Medals.

**Schooling** – Unknown.

**Family** - Wife – Mary Pesek (deceased) – 8 children (Joseph, Liz, Michael, Kathleen, James, Anne, Julie, John) – 16 grandchildren.

**Contact** – Joseph Pesek (son), Address unknown, Phone unknown, Email unknown.

Joe served on active duty in the Army (Artillery) for 4 years, resigning in 1965, with the rank of Captain. His first assignment was with the 26<sup>th</sup> Artillery Group. He then served in Korea with the 76<sup>th</sup> Artillery.

After leaving active duty in the Army, Joe had a successful career in business and research. He worked for the Union Carbide Corporation (Field Representative), Industrial Services Company (President), and Cryogenic Products (General Manager). He then founded and led two companies to benefit diabetic research – AM Diagnostics (President) and Genetics Models, Inc. (Chief Executive Officer, CEO). Joe passed away on 6 February 2021.
